

Assessments: Short Answer Questions

Students are presented with a question that they must answer in the form of a word or phrase.

Students can be required to enter one or multiple answers. If multiple answers are required, you can require students to provide their answers in a specific order.

King Lear's Daughters
Name King Lear's three daughters. Answers can be entered in any order.

1.

2.

3.

To indicate acceptable answers and their values, complete:

- the answer text
- the value for each answer
- grading scheme
- whether the answer must be in a specific answer box

| Answers | | | | |
|---------|-------------|-----------|----------------|-----------------|
| | Answer text | Value (%) | Grading scheme | Allow in answer |
| 1. | Goneril | 33.3 | Equals | All Answers |
| 2. | Regan | 33.3 | Equals | All Answers |
| 3. | Cordelia | 33.3 | Equals | Answer 3 |

Create Additional Answers

Values must total 100%

Answers can be entered in any answer box.....

or a specific answer box.

Note: Under Settings, you must specify the number of answer boxes shown to students before you specify that answers must appear in a specific order.
